## GREETINGS

Welcome to Yoido Full Gospel Church in Seoul.

Yoido Full Gospel Church is a church that practices faith, love, and service based on the cross of Jesus Christ and the Bible. We are committed to sharing the Gospel with you, with Korea, and with the world.

Yoido Full Gospel Church can guide you to Jesus and teach you about the Full Gospel based on the Fivefold Gospel and the Threefold Blessing. Through the help of the Holy Spirit, the Bible, and through prayer, you can live a positive and optimistic life.

During the 21st century, Yoido Full Gospel Church is determined to be a light to the conscience of this age, to shine on the dark world and fill the role of salt and light to preserve the world from corruption. Therefore, we are preaching the Gospel to the ends of the earth so that everyone may have an opportunity to receive Jesus Christ as their personal Savior.

We are waging a spiritual war against villain souls. We cannot succeed in the wars with Satan, without the the fullness of the Holy Spirit. I wish you to be a light on the turbid world and to be a salt on a rotten place, by being filled with the Holy Spirit through the Bible and prayer. Especially, brothers and sisters, who come to our church, I pray for you to enjoy successful lives always, receiving favors from God, in Jesus' name.

"Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well"(3 John 1:2, NIV).

## INTRODUCTION

On 18 May, 1958, just after the Korean War, Yoido Full Gospel Church held its first worship service. Five Christians attended including Pastor David Yonggi Cho. They met at the foot of a mountain in Daijo-dong in Seoul. In spite of the indescribably difficult conditions in Korea. Pastor Cho depended on help and inspiration of the Holy Spirit and with positive and active faith he told his congregation - We can do it! We can achieve! Let's try! Eventually, Yoido Full Gospel Church grew to become the largest church in the world with over 763,000 members.

Our church sends out about 600 missionaries to preach the gospel of Jesus all over the world. Also it makes great efforts to evangelize Koreans as well, currently working on its goal of establishing 500 new churches.

To help reform our society with the Gospel and the love of Jesus, we run various social welfare facilities such as Elim Welfare Town. While Satan is trying to flood our culture with evil media, we are emphasizing Christ and Christian culture throughout Christian publications.

Lastly, our Christian universities and other educational programs are preparing our students to become scholars and valuable citizens for the glory of God.
